### CHINESE NEW YEAR

A Festive Start

As always, Sunray welcomed the Lunar New Year with festive cheer across our HQ and project sites. From traditional lo hei and festive treats to exciting lucky draws, the celebrations brought colleagues together to reconnect, celebrate our achievements and welcome the year ahead.

02

### SINGAPORE'S TOP 300 EMPLOYERS

One For The Team

Sunray started 2026 on a high note, being recognised as one of Singapore's Top 300 Employers in the 2025 Singapore Opportunity Index by the Ministry of Manpower. This recognition reflects the dedication of our people and our continued commitment to creating a workplace where opportunities and growth thrive.

03

### RANDOM OFFICE MOMENTS

The Moments In Between

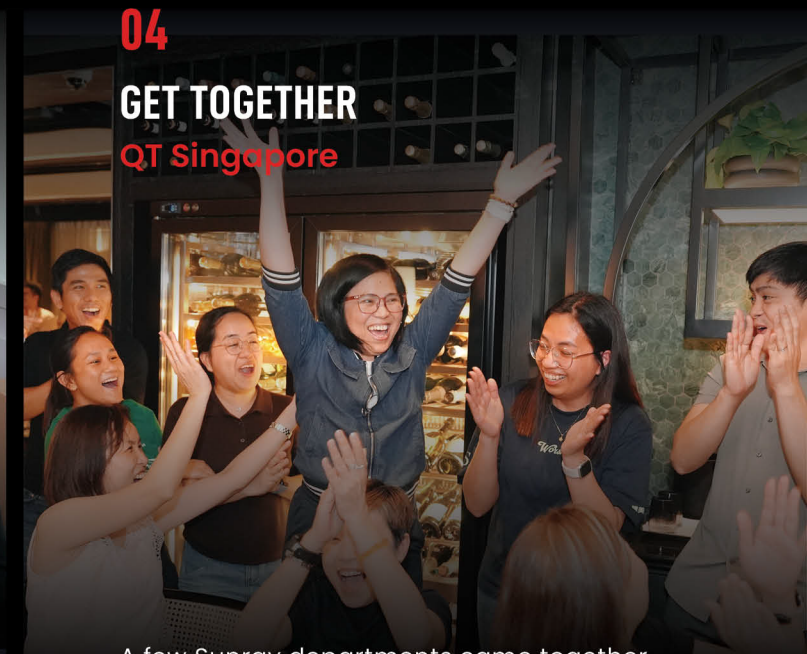

Behind every Sunray event is a dedicated team working behind the scenes to bring each celebration to life. Beyond the big events, it's the everyday moments like birthday celebrations, shared lunches and casual catch-ups that make Sunray more than just a workplace and strengthen the bonds between our people.

### GET TOGETHER

QT Singapore

A few Sunray departments came together at QT Singapore for an evening of good food, laughter and unforgettable karaoke. With surprise lucky draw prizes added throughout the night, it was the perfect opportunity to unwind, reconnect and enjoy each other's company.

## EPISODE 2

# BEYOND THE HARD HAT

Genre: **Community • Humanity • Purpose**

### Episode Synopsis

At Sunray, building goes beyond spaces and structures. Throughout the first half of 2026, our people stepped beyond their day-to-day roles to support communities, create meaningful connections and make a positive difference in the lives of others. Whether spending time with seniors, supporting families in need or creating opportunities for migrant brothers to connect and belong, these moments reminded us that the impact we create extends far beyond the workplace.

### MIGRANT BROTHERS OUT & ABOUT Beyond The Worksite

This year saw the launch of Migrant Brothers Out & About event, bringing staff and migrant brothers together through shared experiences beyond work. It was an opportunity to build friendships, strengthen connections and create a greater sense of belonging. With this successful pilot, we look forward to creating many more meaningful experiences in the future.

### ST JOHN'S HOME An Afternoon of Connection

While Sunray worked to enhance St. John's Home, we partnered with Equal Singapore to bring in Falabella therapy horses, creating a welcome moment of joy for the seniors during the renovation works. It was heartwarming to see smiles and laughter as residents interacted with the gentle horses.

### ACES CARE A Day To Remember

Sunray joined the seniors of Aces Care for an exciting outing to Dinosaurs: The Exhibition – Extinctions: Us at Science Centre Singapore. Beyond exploring fascinating exhibits together, the day was filled with conversations, laughter and shared experiences. It was a reminder that meaningful moments are often created through simple acts of companionship and connection.

### NEW HOPE COMMUNITY SERVICES Building Hope Together

During the June school holidays, Sunray staff and their children spent a meaningful day with families supported by New Hope Community Services, an organisation that helps families experiencing homelessness. Together, the children explored KidZania Singapore while learning the importance of empathy, kindness and inclusion through shared experiences.

## LOOKING AHEAD

The first half of 2026 was filled with meaningful moments, new partnerships and inspiring stories. As we continue our journey of doing good, we remain committed to building stronger communities, creating opportunities to give back and making a positive difference wherever we can. Because at Sunray, building goes beyond spaces, it's about building lives, connections and hope.

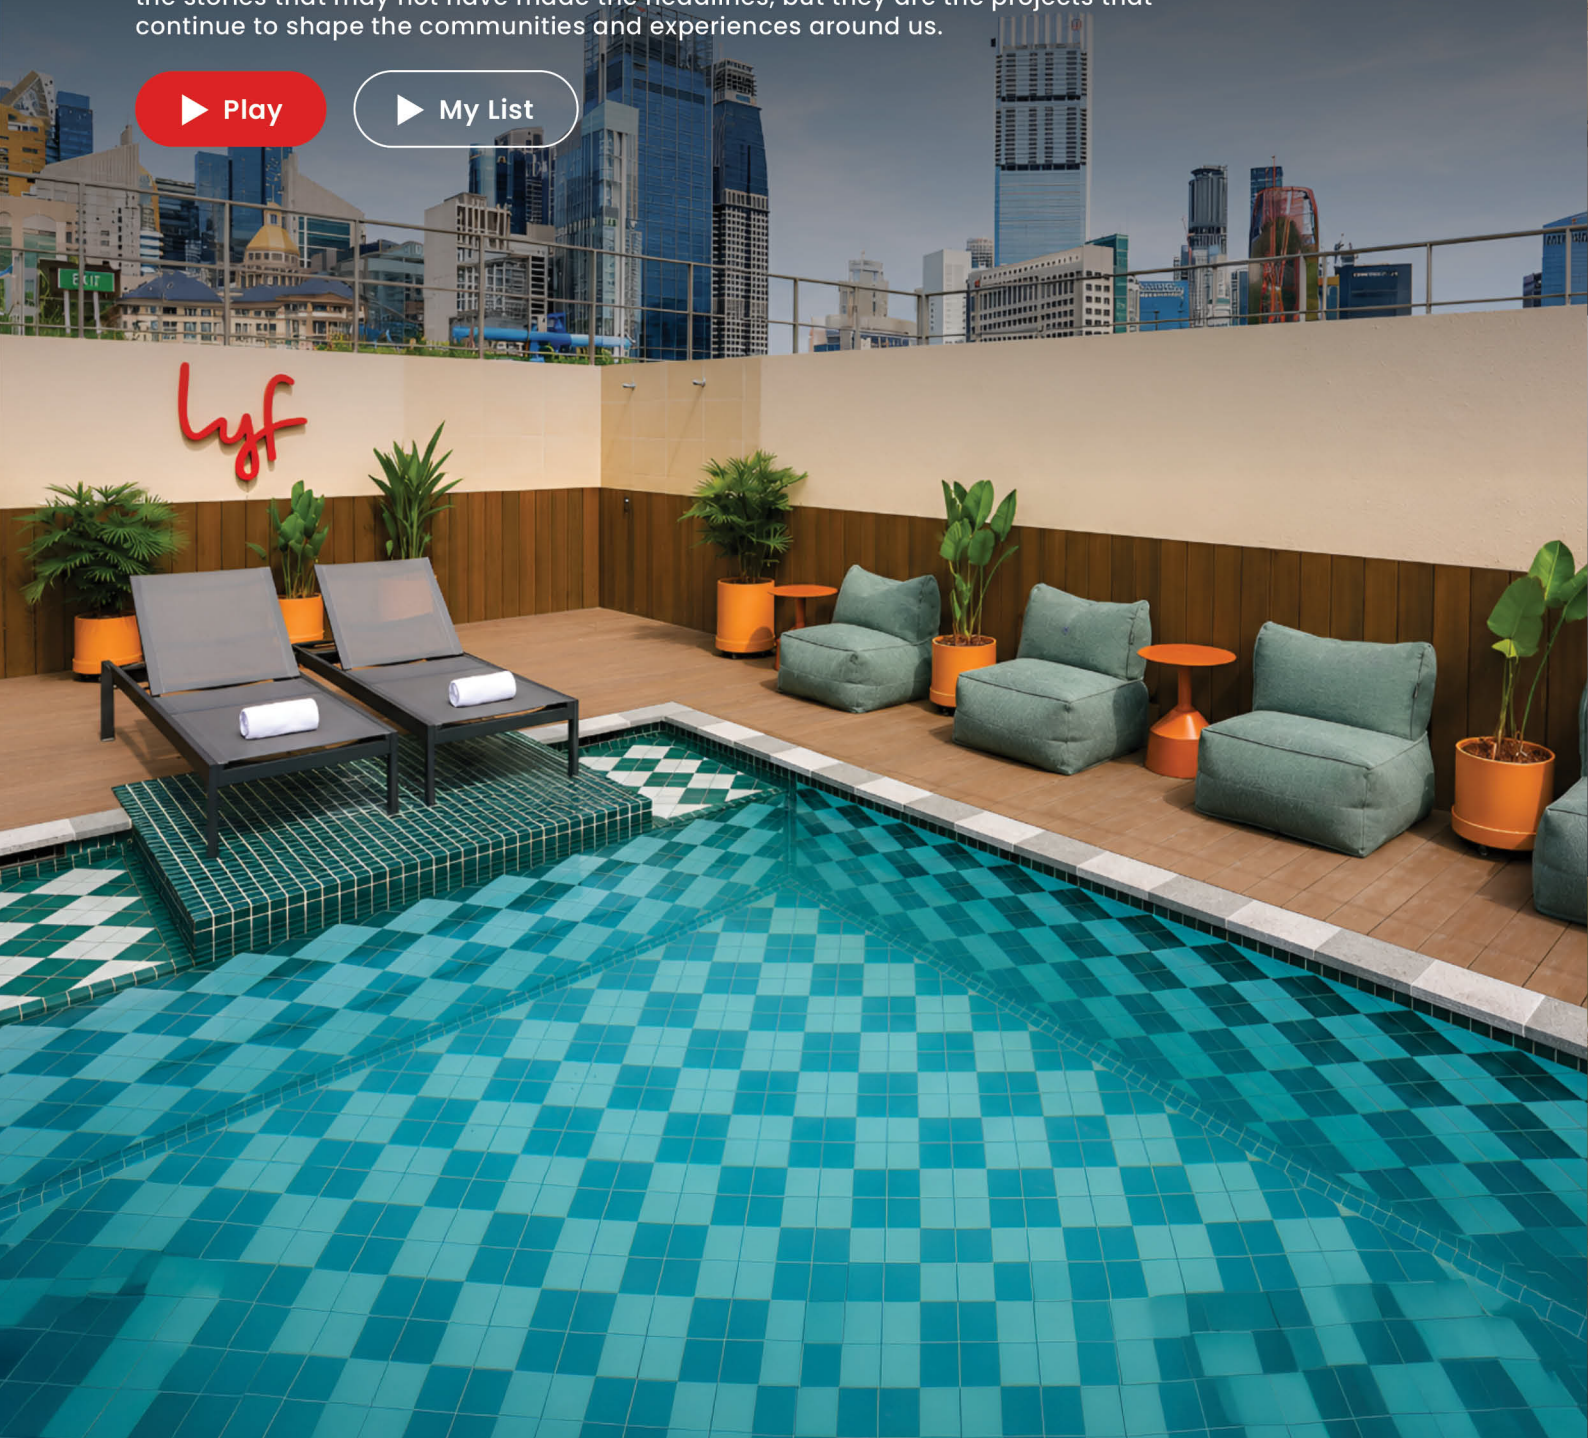

## EPISODE 3

# WHAT WE BUILT

Genre: **Transformation • Craftsmanship • Progress**

### Episode Synopsis

While celebrations, community initiatives and memorable moments filled the first half of 2026, our teams were also hard at work behind the scenes bringing ambitious spaces to life. Across healthcare, hospitality and lifestyle projects, every completed space represents months of collaboration, dedication and craftsmanship. These are the stories that may not have made the headlines, but they are the projects that continue to shape the communities and experiences around us.

## EPISODE 4

# TURNING WASTE INTO WONDER

Genre: **Environmental Documentary**

### Episode Synopsis

When a giant tree was uprooted by an overnight storm, Sunray partnered with Singapore Polytechnic to give it a second life instead of letting it go to waste. Interior Design students were challenged to transform the fallen tree into meaningful pieces inspired by Tiong Bahru's heritage for Link Hotel. After presenting their concepts, the winning design was selected for further development. The project showcases how creativity, collaboration and sustainability can turn what was once discarded into something with lasting purpose.
